"After hearing about the career that Harold spent in support of wildlife conservation, Kyle and I wanted to help in some way," said LaGrossa. "Having been on 'Survivor' three times, I've seen some of the most beautiful landscapes in the world, and most of them are due to the efforts of conservation and wildlife protection."

When asked if the donation was a surprise, Carter said, "It was to me!" He added, "It's hard to put into words. The only way it could be any better was if Kyle pitched for the Brewers!"

"I visited Juneau County in 2005, just days before I left for Mexico to compete in 'Survivor Guatemala,' and it was beautiful!" LaGrossa said. "I've been to central Wisconsin a few times, and I hope that this scholarship helps a graduating senior keep it that way." LaGrossa and Kendrick live in Philadelphia and plan to marry in Napa Valley, Calif., this fall.

The Harold Carter Wildlife Scholarship is offered to graduating seniors of Necedah Area High School who intend to major in wildlife, conservation or biology and will be awarded at the Necedah Alumni Banquet.
